Re: PROCESSING FEES FOR SELCAL ASSIGNMENTS

Dear SELCAL Customer:

Aviation Spectrum Resources Inc. (ASRI) is the designated SELCAL Registrar, on behalf of the International Civil Aviation Organization (ICAO). To date, ASRI has managed the SELCAL service at our expense, without charge, as a free benefit to the aviation community. However due to the ever increasing costs associated with administering the SELCAL service, ASRI must begin charging a processing fee for SELCAL assignments.

Therefore, effective immediately, ASRI will begin charging a one-time processing fee of \$100.00 USD for each new, transferred, or exchanged SELCAL code. This fee must be paid using the ASRI website via PayPal, before ASRI can assign any SELCAL code(s).

Please refer to ASRI's website, www.asri.aero for additional information regarding payment of processing fees.

It has been our privilege to manage the SELCAL service, and we look forward to being able to assist you in the future.

If you should have any questions, please feel free to contact us at 410-266-4800.

Sincerely,

Aviation Spectrum Resources, Inc.
